New Web site tools headed your way

Update your account from home while lounging in your favorite chair. That's right, a secure member Web site enhancement that will allow you to manage your personal and pension benefit information online now available to you. You should have received a Pension ID (PID) and passcode in the mail that will allow you to log in to the Web site.

Here's a preview of what to expect:

- Your PID and passcode will allow initial access to the Web site. At first login, you will be prompted to create a user ID and you will be required to change your passcode. You will also be able to register for the "Forgot Your Passcode" feature, for easy, secure login in case you forget your passcode.
- The "Personal Information Section" will allow you to view your identifying information and view and change your address. If you deferred receiving your ASA, you will also be able to designate a beneficiary or change your designation.
- Make it a point to register your e-mail address online to receive rapid communication from PERF on your pension plan and retirement benefits.
- The "My Pension Benefit Section" will allow you to add or update your direct deposit and tax withholding information while maintaining a history of all requested changes.

PERF Online is available 24 hours a day, seven days a week

- You will be able to view your benefit check mailing date, prior payment amounts and payment details, such as your deductions and gross and net payment amounts.
- on the "Retirement Market" where you can stock up on all the retirement essentials. Find out about the virtual supermarket of new services and investment options or contact us at questions@perf.in.gov with your concerns.

13th checks awarded in 2010

Many PERF retirees can count on a one-time 13th check payment later this summer. Thanks to the 2010 Indiana General Assembly, a one-time 13th check payment was approved for members or their survivors or beneficiaries. PERF members who retired or were disabled on or before Dec. 1, 2009, and who are entitled to receive a monthly benefit on July 1, 2010, will

receive a 13th check. The payment will be included in a member's regular monthly benefit payment in September. The amount of the check is based on a member's years of service.

A complete summary of legislative changes can be found online at www.perf.in.gov.
